Student Financial Support Policy 2023-24

Stanmore College receives an allocation of funds from the Education and Skills Funding Agency (ESFA) annually to provide financial support to help students overcome specific financial barriers to participation so they can take part in or continue in learning.

The College has a defined bursary resource and students are encouraged to enquire and, where eligible, make an application for the relevant bursary at the earliest opportunity to ensure they receive maximum financial benefit from this provision.

Purpose of the Bursary

A Student Bursary is in place to support students with the costs of study, for example, books, materials, trips, meals, fares to college etc.

Bursary support given can change for two reasons. The first is the number of applications received, secondly the support provided can vary based on each students' individual circumstances and their actual financial need.

Stanmore College currently adopts a bespoke system for payments for the variation in students. Currently there are 2 main types of learners.

1. On-site (students) (learning is based at the main site of Stanmore College at Elm Park)
2. External (students) (learning is delivered in offsite locations – for example: satellite centres)

*Unusually long journey can be based on either distance or travel time by public transport to get to Stanmore. In these cases, 'In-Kind' support can be provided but is subject to attendance, punctuality and Percentage of Learning of the applicant.

Eligibility

A student must be aged 16 or over, but under 19 as of 31 August 2023 to be eligible for help from the 16-19 bursary funds during academic year 2023-24.

Students on apprenticeship programmes, or any waged training, are employed rather than in education. They are not eligible for the 16 to 19 bursary funds.

Students aged 19 or over as of 31 August 2023 are only eligible to receive the Discretionary Bursary if they are continuing a study programme, they began aged 16 to 18 (19+ continuers) or have an Education, Health and Care Plan (EHCP).

Students aged 19 or over as of 31 August 2023 are not eligible for the Vulnerable Bursary.

Students aged 19 or over may be able to apply for financial support dependent on household income and on a needs assessment.

Residency

Students must meet the residency criteria in [ESFA funding regulations](#) for post-16 provision for the academic year 2023-24.

Students must have the legal right to be resident in the United Kingdom at the start of the study

programme. Any Student/Persons subject to Home Office deportation are ineligible.

Stanmore College recognises that all European Economic (EEA) student's resident before January 2021 have the legal right to remain in the UK for the duration of their course programme.

Bursary offer for 2023-24

16-18 year old students

Free College Meals

Students aged 16 – 18 on the 31st of August who are eligible to receive a meal allowance will receive it on days timetabled to attend college. Students aged 19 and over are only eligible to receive the meal allowance if they are continuing on a study programme, they began aged 16 to 18 (19+ continuers) or have an Education, Health and Care Plan (EHCP). The amount of £3.50 is credited to their Student ID and is to be used in the college canteen. The canteen offers meal deals to this value and further expenditure will be met by the student. The daily value does not roll over if not used. Students studying at satellite centres can apply for the meal allowance which is payable at daily rate of £3.50 for each day they attend a time-tabled teaching learning session. The meal allowance will be paid to students and will be based on attendance as per registers.

FREE MEALS TRANSITIONAL PROTECTION ARRANGEMENTS

Payments

Payments are made via BACS into a bank account in the students' name for travel, equipment, sports kit or books. Payments are not backdated or paid during holiday periods. There are scheduled payment

dates for Free College Meals and travel bursary.

For all students, there is an attendance and punctuality criteria (known as Percentage in Learning) of 85% + per week which students must attain in order to receive a payment for a particular week. This will apply to Term 1, but the College reserves the right to review and adjust criteria for Terms 2 and 3 as necessary.

Students on study programmes of less than 30 weeks will be paid a pro-rata amount. Additionally, the variant number of hours involved in each student's study programme will be considered when deciding if tier scale payment is more appropriate.

Help with fares

To be considered for financial help with fares, students are to be in receipt of the bursary and hold a current 16+ or 18+ Oyster Card (if living in a London borough). The financial help will be based on the costs of weekly or monthly travelcards linked to their Oyster Card as per rates shown on the TfL (Transport for London) website. As with the bursary, this help is to promote and support good attendance and punctuality (Percentage in Learning) and will be reviewed monthly for each student applicant by Student Services. Students must obtain and provide a receipt for the travelcard and hand to the Student Finance Adviser (within Student Services) the day after purchase. Stanmore College is situated in Zone 5, therefore, financial support to students living / travelling from the neighbouring Zone 4 will not be offered as the 16+ Oyster card (for students aged 16 – 18 as at 31.8.2023) offers free bus travel which can be used when travelling to college.

As the College has a defined financial resource to assist students with their bursaries. Financial support must go to the most deserving of students, therefore, if these objectives are not met each month, the college will withdraw this financial support at the end of the period until students have demonstrated improved Percentage in Learning or provided the requested receipt.

Equipment and Educational Trips

During the academic year, students may have the opportunity to attend educational trips associated with their course or are required to purchase equipment to support their course of choice.

Equipment

The College will pay up to 50% of such costs with the requirement that the student pays the remaining balance. Payments are to Student Finance based in Services Students in the time frame advised by their tutor. Following payment, the student will receive a receipt as proof of payment.

Educational Trips

The Discretionary Bursary is provided to ensure that learners of limited means can access learning opportunities. If an organiser believes that the trip may not be financially accessible to all the learners on the course, then they may put in a request (see the Trips and Visits Policy for the details on how to do this) for bursary funding to support learners entitled to the bursary.

Outstanding Payments or Fines

Students who have incurred payments or fines (i.e., replacement id badges, overdue book fines, lost books fees etc) are required to make settlement in a timely fashion. If, after repeated requests, payment is not forthcoming, the College can look to recover these amounts from bursary monies owed. Students will be advised via the College app of the deductions to be made in any given period.

Withdrawn Students

Should a student withdraw from their chosen course of study and decide to leave the college, they may be required to repay monies or return equipment supplied / bought by Bursary fund. Eligibility to the College

bursary will cease as at the date of withdrawal. Any outstanding financial support due will be paid to the student on the next payment date subject to meeting conditions of financial support.

Appeals

If any student is dissatisfied with the decision regarding their bursary application, financial support, help with fares, equipment or educational trips, they need to set this out in writing clearly stating reasons and produce supporting evidence, if needed. The letter should be sent to the Vice Principal Curriculum & Quality who will investigate and respond to the student within 10 working days of receipt of the appeal letter. The appeal will be heard by two managers not involved in the initial decision-making process.
