Please note that, in some cases, learners will be expected to pay for their own tuition fees, textbooks and fees to professional bodies, examinations and re-sit examinations, ID badge replacement fees and library fees. No other fees are payable.

7. LEARNERS WHO GET SUBSIDISED FEES

Students who are fee assessed as co-funded and enrolling onto a level 2 (or below) programme will pay a maximum fee of:

50% of course funding value derived from 50% of the funding rate

19 and over co-funded fee: Funding rate X 0.5 + Exams and material cost

This is a maximum fee and a lower fee may be charged for operational reasons.

Programmes provided in an employer's workplace

Fees for learners on a workplace-based programme where the employer pays the fees:

Full subsidy

- 50% subsidised for students on a full level 2 course for SMEs only.

8. INTERNATIONAL (OVERSEAS) STUDENTS

Students who are not UK nationals and do not meet the government funding residency criteria for eligibility will be charged tuition fees based on full cost delivery basis. 9. LEVEL 3 PROGRAMMES FOR WHICH FE LOANS ARE AVAILABLE

The fee for all level 3 programmes will be calculated using the DfE/ GLA spreadsheet which considers the likely costs of the programme and the anticipated number of learners. The fee will not exceed the maximum funding level available from the DfE/ GLA as confirmed by the respective funding guidance

and course database.

The full fee will be paid by all learners aged 19 or over and they will be eligible to apply for a 19+ FE loan and bursary.

All courses not subsidised by the DfE/ GLA are priced individually and fees are available on the College website or on request.

Learners who are not eligible for subsidy
