

# Governor

Want to make a difference in your community,  
and develop your own professional skills?  
By volunteering as a governor at Stanmore College,  
you can do both!

Judged \*Good\* by Ofsted in April 2023 and  
recognized for excellence in education,  
Stanmore College is one of the leading  
colleges in the region.

We're rightly proud of our achievements,  
none of which would be possible without  
the dedication and support of our  
governing body.

Our governors make an invaluable  
contribution to the development of  
excellence in our college. They set the  
mission and strategic direction of the  
College and scrutinise its performance.

What they all have in common is a  
commitment to the College and a  
willingness to use their skills to serve  
here.

Further education (FE) providers like  
Stanmore College are the unsung heroes  
of the UK education system.

We provide high-quality academic,  
technical and vocational education for  
young people and adults.

Our state-of-the-art facilities and  
innovative programs support students in  
achieving their career aspirations through  
apprenticeships, professional training,  
and academic excellence.

We're looking for more people to join us  
- becoming a governor provides great  
opportunities to contribute to your local  
community and is an excellent way of  
developing strategic leadership skills.

We're particularly keen to hear from  
individuals with skills or a background in  
either Finance or Audit.
